## WPSL – Here We Come!

Tucson Soccer Academy (TSA) is proud to announce it has accepted an invitation to join the Women's Premier Soccer League (WPSL). The WPSL covers the United States and serves as the most competitive and elite league for women players entering or playing in college as well as women desiring to play at the professional level.

The Tucson Soccer Academy FC will be the only team from Southern Arizona joining the league and only the second team from Arizona, joining Phoenix's Del Sol.

The current schedule will have the Tucson Soccer Academy FC team playing home and away with the Utah Starzz, Salt Lake United, St. George United and Del Sol. The team will be coached by members of the TSA staff, consisting of **Amy Garelick, Todd Garelick, Charlie Kendrick, Charlie MacCabe, Dave Cosgrove, Lisa Fraser** and **Jeff Rogers**.

"We are very excited to be able to offer this opportunity to our players at TSA, the Tucson soccer community, and the Arizona soccer community as a whole," said Kendrick. "Since the inception of the club in 2000, we have believed that it was important to offer a program for players older than U-19, to continue to serve those players' needs as well. We are excited to finally have the opportunity to do this."

Tryouts for the WPSL TSA FC Team begin mid-April and continue through late May. All home games will be played at Kino Sports Complex.

## 98 Boys Blue Standout in Temecula!

It was a long but glorious road in Temecula, Calif., for the 98 Boys Blue over spring break.

Combining with the Red and White teams, everyone jelled together to win the Gunners Division of the Arsenal Spring Classic.

They started by beating Titans FC, 3-0. Then, after a hard-fought game, tied tournament host Arsenal FC White, 0-0.

They secured a No. 1 seed in their bracket on Sunday by having fewer yellow/red cards than Arsenal. See, sportsmanship does pay.

In the quarterfinal match against Temecula United, 98 Blue played well and showed excellent teamwork when Chris Banuelos scored on a Jason Zismann assist. Zismann assisted on the second goal to Colin Hubbard. Soon a third goal came. Zismann scored the third goal and Luis Gonzalez nailed the fourth. By the end of the game, TSA 98 Blue had a 5-1 win.

In the final against Rebels FC, Zismann scored Blue's first goal on a goal kick after Gonzalez was brought down on a breakaway. Mitchell Furrier made a screaming run up the middle, slipping the ball through the keeper's legs for a 2-0 lead. That's how it ended with a well-deserved championship run...

And, TSA 96 Blue won all of their games in Presidents Cup to finish as CHAMPIONS! In group play they finished in first place. In the first game they fell behind to the Alliance (PHX) 3-0 early in second half but fought hard and tied it up with approximately five minutes left.

In their second game they defeated Tuzos (2012 Champs who were unbeaten including all through last year's tournament) 1-0. The third game saw them fall behind but eventually beat MSC United, 2-1. Eventually, they faced Alliance for the third straight week, winning 1-0 to take the title!

## Bogdanowich named to PCJSL

Tucson is being well-represented on the PCJSL Board. Earlier this month, Dawn Bogdanowich was named secretary of the PCJSL and Ted Schmidt was re-elected as District II commissioner.

"It is wonderful news," Schmidt said of the appointment of Bogdanowich. "To have a TSA member on the board as well as District II is a huge step in the direction of bringing TSA and PCJSL closer together."

Bogdanowich has been part of the TSA family for five years and is the mother of three children, two of which play for TSA and one is a referee for PCJSL. Her husband, Jon-Paul, is a coach for TSA. She's been the team manager/treasurer for the 02 Boys Red the last four years. In 2012, she was a member of the TSA Tournament Committee and this year is on the Second annual Summer Nights 4v4 Committee.

## Kickin' It Clubhouse Update

The "Ann Kathryn Schmidt Kickin' It Clubhouse" project continues to move forward and is on pace. TSA has raised more than \$100,000 in donations and pledges. Final architectural plans are complete and we expect the county to connect the utilities. The remodel construction is to begin in less than a month.
